   2. **Trainer at Bootcamp autumn 2021 & autumn 2022 Organized by IIUC Programming Society.**

   3. **Event Coordinator(Lead) of IIUC Data Science & Research Group.**

Problem Solving History:

1.   1200+ problem solved all over the Online judges.
2.   Pupil coder at Codeforces. (Codeforces ID)
3.   4* Coder at Codechef. (Codechef ID)
4.   Brown coder at Atcoder. (Atcoder ID)
5.   Ranked 8th in Intra University Programming contest. (Team Error Makers)

Hobby

- **Competitive Programming**

LANGAUGE SKILLS

- **English & Bangla**
- **Reading** -> High
- **Writing** -> High
- **Speaking** -> High

Personal Projects:

1. **Hospital Information System in C++.** (2nd semester)
   (Github link of the project)

2. **Hospital Management System in Java Netbeans.** (3rd semester)
   (Github link of the project)

3. **Rock, paper & scissors game in Java Netbeans.** (3rdSemester)
   (Github link for the project)

4. **Citizen Information System in Oracle DBMS.** (4th semester)

5. **Web application portal website in Streamlit (Python).** (5th semester) (Github link of the project)
   Link of the website: (Addmission Portal)

6. **Restaurant Booking website in Django (Python).**
   (5th semester) (Github link of the project)

Description:

I have problem solving skills with the knowledge of Data structure & Algorithms. I am a competitive programmer. I love to develop new projects also I am very much passionate about exploring the field of Data science and Machine Learning. I am a self-learner and try to learn new things as much as I can.
